## Blue Phoenix Network

can help you obtain your goals in  
**ONLINE ADVERTISING**

### What is Blue Phoenix Network?

Blue Phoenix Network is a team of experienced marketers and technicians that have combined their expertise and knowledge to form one of the fastest rising affiliate networks around. Over the last 9 years our experienced team has developed a competency in driving high volumes of qualified traffic from a variety of distribution channels.

### What makes Blue Phoenix Network different from other networks?

We provide quality advertisements for our Publishers in order to help them gain their maximum ROI and to work with advertisers that have unique offers that are proven products on the market.

### What attracts Advertisers to us?

- ✓ Easy set up of your campaigns
- ✓ Quality lead generation & customer acquisition
- ✓ Wide exposure for your products
- ✓ Complete tracking and reporting

### Network Reach

Blue Phoenix Network is partnered with many of the largest publishers to deliver significant reach across many areas of interactive media. Our advanced network of websites, and publishers has grown to over 1,500 hand picked partners.

### Flexibility

Our network offers all kinds of media types and sizes in the forms of banner, emails, text links, co-brands, pops and Rich Media. We will work closely with you to have your campaign up and running in less than 24 hours.

### Affordability

Manage your advertising budget with our extensive network capabilities. All campaigns are set up to your specifications and are designed to save you time and money.
